

बारिश जब आती है

बारिश जब आती है।
हरे खुशियाँ लाती हैं।

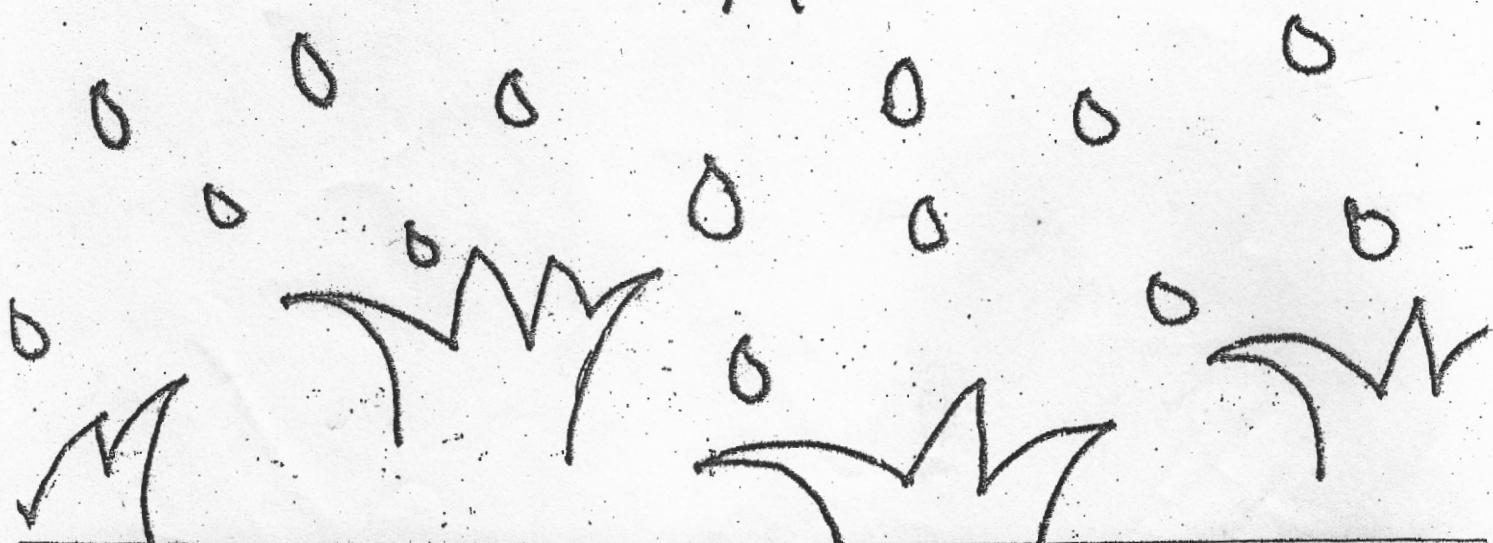

भीषण गमी से बचाती है।
शीतलता हमें दे जाती है।

मीरों की नचाती है।
पहाड़ों में फूल रिक्लाती है।

धमचम धमचम
बिजली धमके

धमचम - २ बिजली धमके
रिमझिम - २ वादल वरसी
गरज गरज कर करते ही
छाई काली प्याटा घनधोर

प्यासी धरती की प्यास
धुह्याने,
आई वर्षा हमें भिंगाने।

RHYMES FOR THE MONTH OF SEPTEMBER

Fall into fall

Fall into fall,
The most colourful season of all.
Orange, red, yellow and brown,
Leaves are swirling all around.
September, October, November
Fall is here.
At the end of December,
We know winter is near.

Pitter-Patter

Pitter patter, pitter patter,
Down comes the rain today.
Clouds are forming in the sky
Inside we will have to stay.
Thunder crashes boom, boom, boom
We see lightning too,
Don't go outside until the storm is through.

STORY OF THE MONTH OF SEPTEMBER, THE SQUIRREL AND THE SPARROW

One day a sparrow was making a house . The squirrel saw her and asked, "why are you making a house?". The sparrow answered "The monsoon is approaching" and told her to make house for herself as the rain was about to come. But the squirrel did not listen. Next day when the rain came the squirrel did not find a place to save herself from rain.

Moral - Do not leave your work for tomorrow.
